FOREWORD

The Missouri Division of Alcohol and Drug Abuse is pleased to present this eighth edition of the *Status Report on Missouri's Alcohol and Drug Abuse Problems*.

The report quantifies the use of alcohol, tobacco, and other drugs in Missouri and highlights some of the consequences of the abuse of these substances as reported by a variety of public entities. It also summarizes the substance abuse services provided by agencies that have contracts with the Division of Alcohol and Drug Abuse.

All editions of the *Status Report on Missouri's Alcohol and Drug Abuse Problems* are available to review in most Missouri public and university libraries, and in the regional offices of the Division of Alcohol and Drug Abuse. The regional offices are located in Kansas City, St. Louis, Springfield, Columbia, Rolla, and Poplar Bluff. Inquiries pertaining to this publication should be directed to the Division's Research and Statistics unit.

Sincerely,

Michael Couty
